Community Service Leader's Message - August 2011

Hello Jamul Chaparros,

It is almost time to start our 2011-2012 4-H club year.

There will be a Board Meeting on Thursday, Sept. 1st at 7PM at my house. If you are a current board member or will be a new board member please make every effort to attend this important planning session meeting.

Our first Unit Meeting for all returning members and potential new club members will be Tuesday, Sept. 6th at 7PM at the Jamul Primary School in the multi-purpose room.

Also, please take the time to create your Record Books. If you want to earn your stars you will need to create the entire record book - a Personal Development Report and Project Reports for each of your club projects. If you just want to earn a membership stripe for last year you only need to create your project reports. If you have any questions regarding the project reports and personal development report, please call me, or send me an email at l_mbradley@hotmail.com and put 4-H project report in the email subject line. I'll be happy to try and help you out.

The following is a list of events that our club participated in this past year. Use it as a reference for filling out your Record Book. The list doesn't contain project meeting dates and the various dog or horse shows. I hope this will help you to fill our your personal development report.

Community Service Leader's Message - September 2011

It was great to see the wonderful turn out for our September kick-off meeting! I was very happy to see so many returning members and many first time visitors. If you were a visitor, I hope you'll join us this year. 4-H is a lot of fun! It's a great way to learn new things and make new friends!

A big thank you to everyone who has completed their online registration, turned in their medical health history, medical release forms, and paid their fees. The fees this year are \$35/youth member and \$10/adult volunteer. I will be processing the registrations and turning them into the county 4-H office. When your online registration and all of your paperwork has been completed, you should receive a confirmation of it via email. If you are a new volunteer, please be sure to complete your training, fill out your paperwork, pay your registration fee, and complete the Live Scan screening process as soon as possible. If you have any questions regarding this process, please give me a call.

Thank you!
Mary

County Council Fundraiser for 2011-2012

This year the San Diego 4-H County Council is going to be putting together a cookbook. This will be the County Council's big fundraiser and it is taking the place of calendar sales. They promise the cookbook will be out in time to purchase them and sell them for Christmas presents! They would like all recipes submitted to Robbie Cranor by Sept. 30th. The recipe forms were available at the September unit meeting. If you would like to submit a recipe and did not pick up a form, please email your recipe directly to Robbie at FORD67@netmail.com, or contact Mary Bradley and she will email you a copy of the form. If you did pick up a form, please fill it out and mail it to:

San Diego County 4-H Office, Attn: Carol Hrigora, 9335 Hazard Way, Suite 201, San Diego, Ca 92123. The County Council would really like to get at least 6 recipes per club, so please take the time to submit one of your family favorites to them!

Communication

With a club of our size, communication is very important so all members are kept informed. When my wife and I were the Acornicle Newsletter editors in the 1980's, the club members communicated with hand-written notes, telephone calls, and mailed letters. With today's technology, we have email, cell phones, voice-mail, the club's website, and on-line calendar to communicate with. Even with all this technology, good club communication does not happen without help.

- The club Reporter(s) should be reporting on the club activities and information presented at the Board and Unit meetings. The reports should be sent to the Editor to be included in the Acornicle.
- The club President should be sending a President's Message to the Editor each month.

- The club Leader should be sending a Community Service Leader's Message to the Editor each month.
- The Project Leaders should be sending project meeting information to the Editor each month.
- The Project Leader should encourage their Junior and Teen Project Leaders to send in project activity reports to the Editor each month.
- The Editor cross-checks the information and assembles it into the Acornicle newsletter.
- The Webmaster sends the newsletter out as an email to the club's email list, and adds the Acornicle to the club's website www.jamul4h.org. The on-line calendar is also updated with information from the newsletter.

If you, or someone you know, would prefer a printed and mailed copy of the Acornicle, give me 10 self-addressed, stamped (with Forever stamps) business-sized envelopes. I will print and mail the newsletter to you/them each month.

Webmaster, Gene Peterson

Board Meeting

On September 22nd, the Board will meet at the Bradley's home at 7pm. All incoming and outgoing board members are encouraged to attend. All are welcome and encouraged to attend! Please call Mary for information and directions.

Chairpersons and Committee and needed!

Throughout the year our Club holds events and activities that require organization and leadership in the form of "Chairperson" and Committee member roles. These opportunities provide a learning experience for members in organizational skills, teaming and leadership under the guidance of an adult volunteer. As members grow in knowledge and ability they can take on bigger roles and pass on their acquired knowledge with less experienced members. This process has worked well in developing members skills and maintaining the events and activities our Club has come to expect and enjoy year after year. Upcoming events needing Chairs and Committee members will include the Holiday Party, Super Saturday Booth, ESDCJF Auction, Kiwanis Car Show, End of Year Potluck and Summer Party. Parents, please encourage your children to participate in Chairing and Committee membership whenever possible. The growth experience is invaluable and members will get a great sense of accomplishment.

Community Service Leader's Message

Hello Jamul Chaparros!

It was so nice to see everyone at the October meeting. I really enjoy installing the new club leaders, it is like the changing of the guard and it truly signals the start of

our new club year. There is one thing I forgot to do at our unit meeting and that was to recognize and thank the club officers who served us so faithfully during our 2010-2011 club year; and so, I'd like to take this opportunity to say a BIG, "THANK YOU!" to:

Haley Grigsby, President and Teen Council Representative
Chelsea Smith and Safari Fabrizio, Vice Presidents

Job well done!

At our November meeting, we will have our awards ceremony to honor those club members who completed their projects and created either a project report or a full personal development report. If you completed a project report or PDR and didn't submit it to me, please call me and make arrangements to drop it off at my house. I'm currently reviewing the reports that were turned into me at the October meeting. I really enjoy rewarding people for the work they did in their projects and hate to see anyone not get their membership stripes or stars, so please call me and turn in your reports ASAP! Don't deny me the pleasure of handing you your stripes or/ and stars!

If you have not yet finished your registration, please do so as soon as possible. It is also not too late to bring a friend and have them share in the fun of 4-H. A big thank you to everyone who has completed their online registration turned in their medical health history, medical release forms, and paid their fees. The fees this year are \$35/youth member and \$10/adult volunteer. I will be processing the registrations and turning them into the county 4-H office. Immediately following this meeting there will be a new volunteer's orientation training for those parents who have already volunteered to become adult leaders.

Thank you!

President's Message

Hello New & Returning 4Hers!!!

Welcome to another new and GREAT 4H year. I'm really looking forward to this year as your new club president. I have been a part of the Jamul Chaparros 4H club for 6 years and I have been involved in just about every project, so if you ever have any questions, I have a lot of experience to share. I am hoping to make this year the best yet, so if you have any ideas how to make it better please let me know!

For all our new members the Jamul Chaparros 4H club has many great projects and I hope you can find the one you enjoy doing. The dog project is still looking for members, so if you have a dog and would like to learn some basic obedience skills consider attending one of the dog project meetings.

I hope to see you all at our Jamul Parade and Petting Zoo. It's a lot of fun getting to create the float and travel down the road throwing candy and sharing the fun of 4H!

As your new president I will try and become the best, most efficient leader I can. However I am currently taking a night college class on Tuesday evening, so I will not be able to attend all of the unit meetings between now and December. So I will leave you in the capable hands of the Vice President Rachel. I will be back in December and will hopefully be able to attend some meetings between then.

So let's get this year off to with a Big Bang and hit the ground running. I look forward to getting to know everyone personally and having a fabulous year.

~Chelsea Smith~

Community Service Leader's Message -

Hello Jamul Chaparros!

Oh my goodness, it's Thanksgiving morning and the turkey is in the oven. The Acornicle is late this month, and the holiday rush is upon us. Better late than never, it was really nice to see everyone at the November meeting! I hope everyone enjoyed the awards ceremony. Next year, I would love to see more club members getting their membership stripes and stars!

At the State level, 4-H is rolling out a program called, "Thrive". It is a program

that is designed to help our club members become better leaders and to help them to find the projects and interests that really spark their interests! I would like to hold a Thrive project that is in conjunction with a Record Book project. If you are interested in doing this, please let me know! The added bonus for participating in this is that the state will be able to use the results of the Thrive project as a way of showcasing just what 4-H is all about, and how it has a positive effect on our youth. With the anticipated results, they hope to be able to get more grants to make 4-H even better and be able to reach more youth in our state. I hope you'll join me in this worthwhile project!

Registration is coming to a close. If you wish to participate in the 2012 fairs and other competitive special events you need to be a fully registered member by 12/31/11. I'm sending out emails to those members who still have not completed their registration. If you have any questions regarding this process, please give me a call.

Thank you!
Mary

Vice President's Message

Chelsea is very busy with college classes, so this letter is from your V.P., Rachel Bradley. I just want to congratulate everyone who earned their membership stripes and stars last year. Please be sure to track your hard work on your project reports and on your Clover Points forms. Those of us who did it got some really cool gifts from the 4-H Mall catalog.

Please be sure to keep your eyes on your emails for information on our upcoming holiday party! What we know at this point is that it will be a potluck, there will be a gift exchange and fun games, and it will be held at our Dec. 6th meeting. Hope to see 100% participation at this meeting!

Also, our first Bake Sale fundraiser of the year is coming up fast! It will be Dec. 2nd at the Darroch's Jamul Dance Studio which is located at: 13910 Lyons Valley Road, Jamul. The bake sale starts at 4pm and ends at 8pm. Please bring some yummy baked goodies to sell at it. If you can stay and help run it for a few hours that would be great!!!

Please come to our unit meetings - we love to see your smiling faces! And bring a friend who might be interested in 4-H too!

Vice President Rachel

Leader of the Year Awards

At the Awards Ceremony, Cindy Hamberg and Britney Grigsby were awarded the Leader of the Year awards for their project leadership efforts. Unfortunately, they were not present at the November Unit meeting to accept their awards, however, they sent thank you's to the club:

Thank you so much for the honor of being named Leader of the Year with my cohort, Britney Grigsby! Both of us truly enjoyed all of the fun-filled hours working with the horse project!!! The young people who showed up for their Friday lessons were truly involved in all aspects of horsemanship. The shows were a blast as well--portraying awesome sportsmanship and conduct. I truly miss those days since I have gone back to work as a full-time teacher (I am teaching 7th and 8th grade science). I must thank you all, too, for the extremely generous gift card to Applebee's and the beautiful 4H necklace! They will definitely be used and enjoyed.

--Miss you all!

Take Care,

Cindy Hamberg

Thank you so much for voting for me and Cindy to be your leader of the year. I have loved leading and sharing what I have learned from 4h on to you all. I would also like to thank all of the wonderful youth members and volunteers; therefore, without you I would not be able to get this award!!!! I feel greatly appreciated to receive this award!!!

Thanks again,

Britney Grigsby

Avian Bowl Team

Congratulations to Haley Grigsby and the SD County's Avian Bowl Team! They placed 6th out of 14 teams at the National Avian Bowl competition. Way to go! Hopefully Haley will share some of her memories with us at a future unit meeting!

County Council Cookbook Fundraiser for 2011-2012

This year the San Diego 4-H County Council is going to be putting together a cookbook. This will be the County Council's big fundraiser and it is taking the place of calendar sales. Proceeds from the cookbook fundraiser help the county council to be able to support various 4-H projects and area events around the county. They also help with scholarships to Jr. Leadership Camp, State Leadership Camp, and the State Leaders Forum.

The county wanted to be able to have the cookbooks published in time to be sold as

Christmas presents; however, due to a lack of recipes they won't be able to do this. They still need recipes for main dishes, side dishes, beverages, and salads. If every 4-H family just sends 1 recipe they would have plenty of recipes for the cookbook. So please send your favorite recipes to Robbie Cranor at: 67FORD@nethere.com, If you picked up an official recipe form at the unit meeting, please fill it out and mail it to: San Diego County 4-H Office, Attn: Carol Hrigora, 9335 Hazard Way, Suite 201, San Diego, Ca 92123. The County Council would really like to get at least 6 recipes per club, so please take the time to submit one of your family favorites to them!

Leather Crafting at Tandy Leather in La Mesa

On Friday, Nov. 18th our club had the opportunity to do a leather crafting project at Tandy Leather in La Mesa, We had 3 members show up and they stamped, dyed, and blinged a leather belt. The belts looked fabulous and the members had a great time!

On Friday, Dec. 2nd, there will be another opportunity to do a leather crafting project at Tandy's and this time the project will be a dog collar. This is designed for our younger youth members; however, if you didn't get a chance to go to the Nov. 18th lesson, please contact Mary Bradley to see if there is space available for you to attend this meeting. You will need to pay for the cost of the leather and any extra accessories for it. The manager at Tandy's will lead the craft and you get to use all of their tools and dyes for free!

*** This took the place of our Arts and Crafts meeting that was cancelled due to the rain storm earlier this month. The Leather Crafting Project special event is open to all club members. ***

Community Service Leader's Message -

Hello Jamul Chaparros!

Christmas is over and New Year's Day is coming up fast and with it comes our busiest time of the year. For those of you who are new to 4-H, I hope you'll enjoy all of the events to come! We have Area Judging Day on Saturday, January 7th, at El Capitan High School. I believe it will be in room 1500, check-in time is 8:30am, and start time is 9am, keep an eye out for emails from the San Diego County 4-H Office to confirm this info. We'll do a mock judging day at our next unit meeting on Tuesday, January 3rd. I hope everyone will try to attend the unit meeting as

there things to discuss and there are a lot of fun and educational events coming up! You won't want to miss out!

On a more solemn note, I have to tell you that Chelsea Smith has decided that being the club President is too much with her college schedule and she has stepped down from her position. After researching through Robert's Rules of Order, it has been determined that our Vice-President, Rachel Bradley, is now your club President. We do need to elect a Vice-President to assist Rachel and to run the meetings if she is not able to attend for any reason. If you are interested in becoming the club Vice-President, please let me know. We will be holding an election for our new VP at the January meeting. The nomination board consists of our current club officers, so I would like all club officers to attend the board meeting this Thursday evening, Dec. 29th at 7PM if at all possible. I hope everyone will support Rachel in her new position, and our VP to be as well!

Registration is coming to a close. If you wish to participate in the 2012 fairs and other competitive special events you need to be a fully registered member by 12/31/11. This also applies to anyone who wants to ride in the 4-H horse shows. The county has deleted any registrations that were not complete prior to 12/28/11. If you didn't complete it by then, you will need to resubmit your electronic registration and get your medical forms and registrations fees to me by this Saturday, 12/31/11. If you have any questions regarding this process, please give me a call.

Thank you!
Mary

President's Message

Hi Everyone! I was not expecting to be the club President this year. I was really looking forward to being the VP and assisting Chelsea, but Chelsea discovered that college is very demanding, and she could not dedicate the time the presidential office requires. So I hope you'll give me your support as we move forward into 2012.

The best part of the 4-H year is just around the corner! I love participating in the fairs and I hope you will too! It's a lot of fun and you get to showcase your projects and your animals. If you have any questions about the fairs, please be sure to ask me. If I don't know the answer, I'll find someone who can answer your questions.

Please come to our Unit Meetings - we love to see your smiling faces!

Rachel

Presentation Day

Just what is Presentation Day? Presentation Day is your opportunity to get up in front of a small group of judges and other 4-H members and make an oral presentation. The presentations can be on just about anything, and they can be done in a number of different ways. You can give a prepared speech, you can demonstrate how to do something, you can read a short story or book, or you can do a skit with friends! Your presentation can include storyboards or displays.

If you're wondering "why" should I do this? There are many rewards to doing a presentation. If you want to earn your stars in 4-H, you have to do 4-H presentations, there is no way around this requirement. In 4-H, we give gentle constructive criticism and we want to help you to succeed - there's no better environment to do this! Getting up in front of a crowd and giving a presentation is the #1 fear of people, but the more times you do it, the easier it becomes. So why not get a jumpstart on your classmates - participate in 4-H Presentation Day and start to overcome your fear of public speaking!

For more info on Presentation Day - check out this link to the state website:

<http://www.ca4h.org/Programs/Events/SFD/PD/>

Sign up forms will be available at our unit meeting. Giving presentations will help to build your self-confidence and you will also earn extra Clover Bud points for participating - so start working on your presentation now!

Home Arts and Crafts

At our December Home Arts and Crafts meeting our club members made cloth wreaths using wire coat hangers and strips of Holiday designed material. We also learned that there are a lot of different varieties of apples and some are better for eating raw and some are better when baked into apple pie! If the noise level of the meeting was any indication of how much fun we had, we had a LOT of FUN!

Community Service Leader's Message -

Hello Jamul Chaparros!

January got off to a bumpy start, but we are in full swing and heading towards the best part of the 4-H year - the fairs! I hope everyone is attending their project meetings and working on, or with, their entries to the fairs. This is the time to get those arts and crafts, photography, home arts, and horticulture projects going! It's also a good time to practice showmanship with your animals and study to increase your knowledge of your animals.

At our January meeting we discussed our club's big fundraiser for the year. Through

the generous help of Applebee's on Jamacha Road in Rancho San Diego, we will be hosting a Flapjack Breakfast on Saturday, March 10th from 8am to 10am. We need every club member to sell a minimum of 4 tickets to the fundraiser. The tickets are \$10/each and the meal includes pancakes, syrup, butter, scrambled eggs, bacon, juice, coffee, and water. We also need 10 to 12 volunteers, age 16 and up, to help serve the breakfast and bus the tables. Applebee's will provide the food and the cook staff. Volunteers get breakfast for free! So if you are interested in volunteering, please let me know. If you haven't already picked up your tickets to sell, please come see me if I don't see you first. We will get 50% of the proceeds for each ticket sold, and we had to guarantee to sell a minimum of 100 tickets. This is the only fundraiser we are planning for this spring, so we really need everyone's help to make it a success!

Thank you!
Mary

President's Message

Hi Everyone!

I was happy to see those who came to Area Judging Day! I would love to see more of you at future events! Presentation Day is almost here and I cannot wait to see what my fellow 4-H'ers are going to present. As the fairs and get closer I know that it can get stressful on all of us, so take time to relax every once in a while and remember that everything we do is to ensure learning and that we are having a fun experience while doing so.

Rachel

[Presentation Day - It's almost here!](#)

If you haven't already sent in your registration forms for Presentation Day please do so ASAP! I will accept entries up until 2/2/12. So far the only entry I have from our club is Rachel's...come on Jamul Chaparros - this is fun, you can do it!

Home Arts and Crafts

At our January Home Arts and Crafts meeting our club members potted and started to trim Bonsai plants. It was a lot of fun and we learned a lot about Bonsai's. Sending out a special "Thank you!" to Marshall and Tracey Murphy for leading this project!

Eastern San Diego County Jr. Fair - BBQ and Auction, and Fair books

March 18th, it's just around the corner - the annual BBQ and Auction to help raise money for the Eastern San Diego County Jr. Fair. Every year the fair holds a BBQ lunch and auction at the Lakeside Rodeo/Jr. Fair grounds to raise money to help run the fair and to provide scholarships for college bound 4-H and FFA youth members. The BBQ lunch is just \$8/person, and it's a good meal! Once again, our club will also help support the fair by hosting the dessert booth during the BBQ and auction, it's a tradition! So, if you like to bake, please sign up to bring some goodies to the bake sale booth, and if you can work the booth for an hour or two, that would also be great!

As for the auction, it would be really great if we could get a gift basket or other items to donate from each project group. Donations from individuals and companies are also gladly accepted! And yes, they are tax deductible!!!

This may seem like a lot to ask, but it all goes to help a really great cause, and it is just 1 day of the year. Please give the fair your support, come have lunch, get some dessert, and check out the auction items. You never know just what they have and they do get some really great items donated to them!_

Community Service Leader's Message -

Hello Jamul Chaparros!

It was a dark and stormy night, the wind howled, and the rain poured, but it was not enough to deter some of our Jamul Chaparros. The numbers were few, but they were the bravest of the brave, and somehow they weathered the storm and came to our February unit meeting. A special "Thank you" to everyone who came out for the meeting! I know this is cold and flu season too, so if you stayed home because you were sick, thank you for not bringing your sicky-poo germs to us.

At our February meeting we distributed tickets to sell for our big fundraiser at

Applebee's. Please try to sell your tickets between now and the next unit meeting. I'd like to collect the money at the meeting on March 6th, if possible. Just as a recap - through the generous help of Applebee's on Jamacha Road in Rancho San Diego, we will be hosting a **Flapjack Breakfast on Saturday, March 10th from 8am to 10am.** **We need every club member to sell a minimum of 4 tickets to the fundraiser.** The tickets are \$10/each and the meal includes pancakes, syrup, butter, scrambled eggs, bacon, juice, coffee, and water. We also need 10 to 12 volunteers, age 16 and up, to help serve the breakfast and bus the tables. Applebee's will provide the food and the cook staff. Volunteers get breakfast for free! So if you are interested in volunteering, please let me know.

If you haven't already picked up your tickets to sell, I will try to contact you to get tickets to you to sell. We will get 50% of the proceeds for each ticket sold, and we had to guarantee to sell a minimum of 100 tickets. This is the only fundraiser we are planning for this spring, so we really need everyone's help to make it a success!

Also, please be sure to attend Area 5 Field Day, Saturday, March 3rd at the Eastern San Diego County Jr. Fairgrounds. It is right next to the Lakeside Rodeo grounds. Check-in starts around 7:30 a.m. and the event starts around 9:00 a.m. Small Animal Learning Day will be held immediately following the conclusion of the Field Day events. I hope everyone showing animals will be able to attend, especially those who are new to 4-H. It's a great time to practice showmanship and to learn!

Thank you!
Mary

President's Message

Hi Everyone!

Thanks to all who came to Presentation Day either as a presenter, or just to help out. Your participation and help was greatly appreciated! I hope to see more people presenting next year, it's actually a lot of fun.

Please continue to go to your project meetings, there is still a lot to learn and do before fair time. Practice your showmanship, it will help you and your animals to be ready for the fairs.

I hope everyone will be able to come to the Flapjack Fundraiser - please sell those tickets and come out for a great breakfast! We still need a few volunteers to help that morning, so if you can, please sign up to help out. We also need helpers for the horse show - it's a very busy month...but it will be fun!

Also, I hope we can get our good 4-H bakers to make some goodies for the ESDCJF BBQ & Auction's bake sale booth. I will be there helping the Junior Fair board with their game booths. It's a great event for the whole family, so I hope you'll come and have lunch, play some games, eat some goodies, and sign up to bid on some of the auction items. You never know what people will donate to it and we've gotten some great deals in the past! :^)

Thank you!
Rachel

[Presentation Day - It Was Great!](#)

Congrats to Kiarra Mapp and Rachel Bradley! Both earned blue ribbons for their presentations and are eligible to attend County Presentation Day on March 24th. Kiarra gave an illustrated talk on Greyhound dogs. It was very informative and interesting! Rachel presented a short story she wrote and illustrated for her Senior Creative Writing class at SCHS. It was inspired by her loveable Corgi dog, Midget. She also demonstrated basic tap dancing steps. Despite dancing on carpet, it was entertaining!

[Horse and Pony Project](#)

Calling all Horse and Pony project members and anyone else who would like to help! On Sunday, March 11th, our club is sponsoring a Gymkhana Horse Show at the St. Pius X Arena. Our club has not sponsored a San Diego County 4-H Horse Show in a few years. If the horse projects are to continue and have shows for our members to participate in, we need to step up and help run at least 1 show per year. Members and parents not in the Horse and Pony project can also help run the show. We will be running a food booth, and there are other things to be done at a show that do not involve direct contact with the horses and riders. So please consider helping at this event. It will count as community service which is one of the hallmarks of the 4-H organization. Thank you! Thank you! Thank you!_

[Home Arts and Crafts](#)

At our February Home Arts and Crafts meeting our club members started work on mosaic trivets. No two trivets look alike! We will be finishing them at our March meeting and we will also be pruning our bonsai trees. So if you're in the Arts and Crafts group, please be sure to bring both items with you to the Dulzura Community Center. Thanks! Mary

[Eastern San Diego County Jr. Fair - Fairbooks and Entry Forms](#)

The ESDCJF will be here before you know it! I have the fair premium books and entry forms. Please come see me at the meeting and I will gladly give them to

you. I hope everyone will be able to participate in the fair in some way - it's a lot of fun! We will be cooking dinner one night of the fair - night and food to be determined. Last year we had a great turn out of helpers from the club and we had a blast!!! I hope this year will be just as much fun!

Thank you!
Mary

Eastern San Diego County Jr. Fair - BBQ and Auction

It's coming up soon!!! March 18th, it's just around the corner - the annual BBQ and Auction to help raise money for the Eastern San Diego County Jr. Fair. Every year the fair holds a BBQ lunch and auction at the Lakeside Rodeo/Jr. Fair grounds to raise money to help run the fair and to provide scholarships for college bound 4-H and FFA youth members. The BBQ lunch is just \$8/person, and it's a good meal! Please see Mary if you would like to purchase your BBQ lunch ticket in advance.

Once again, our club will also help support the fair by hosting the dessert booth during the BBQ and auction, it's a tradition! So, if you like to bake, please sign up to bring some goodies to the bake sale booth, and if you can work the booth for an hour or two, that would also be great! We will be signing up volunteers at our March meeting.

As for the auction, it would be really great if we could get a gift basket or other items to donate from each project group. Donations from individuals and companies are also gladly accepted! And yes, they are tax deductible!!!

Community Service Leader's Message -

Hello Jamul Chaparros!

Spring has sprung and March is busy! I want to thank everyone for their support of the Applebee's Flapjack Fundraiser on Saturday, March 10th - it went really well and the club made a profit of \$625.

I also want to thank everyone who attended and/or helped with the Gymkhana Horse Show on Sunday, March 11th. The show turned out to be one of the best San Diego County 4-H Gymkhanas in recent history. We had a total of 23 riders from 6 clubs. That was the largest turn out in quite a long time. I attended the Horse

Advisory meeting the following Tuesday and the leaders of the other clubs gave us lots of praise for how well we ran our show! They were very impressed and wanted to know what we did to make it run so smoothly. I told them we owed a big thank you to Kim Silvas of the Kiwanis Club, her help was invaluable! So if you know Kim, please be sure to thank her the next time you see her. I also want to send out big thank you to Patty Hyslop and Nancy Grigsby, our Horse Project leaders. They were the driving forces and helpful hands behind the scene to get this show going! Kudos to both of you!

One more thank you and goes to those who participated in the Eastern San Diego County Jr. Fair (ESDCJF) BBQ and Auction. We had several baskets and other items donated to the auction. We also had several yummy contributions to the bake sale booth thanks to some truly awesome bakers! My sincere thanks to Shannon and Ashley Whipple who helped me run the bake sale booth - despite the chilly weather! I hope everyone who came to the event enjoyed the BBQ lunch and the auction. It was very successful!

There are still some fun events coming up in March and they are County Presentation Day and Home Arts and Design Day - I hope those who are participating in these events have a great time!

Don't forget - we are holding our April Club Unit meeting early. It will be Tuesday, March 27th, 7PM at JPS. Be sure to be there to turn in your entries for the ESDCJF. Your entries must be signed by your parents and project leaders. Entry fees must be submitted too. No late entries!

Hope to see you there!
Mary

President's Message

Hi Everyone!

Thank you to all of our helpers at the Flapjack Fundraiser, the Gymkhana Horse Show, and the ESDCJF BBQ and Auction events! I had a good time working at the goldfish game at the ESDCJF BBQ and Auction, although it was really cold - Burrrrr.....

I want to wish everyone good luck at County Presentation Day and Home Art and Design Day. Both events should be a lot of fun! We will look forward to getting a full report from you at the unit meetings.

We have been asked to host a petting zoo at the JPS on Saturday, April 7th, at 8:30 am. The Kiwanis Club is sponsoring an Easter Egg Hunt there and have asked us to come with our animals. So if you will be in town during this time, please come join in the fun!

Also, at every ESDCJF general meeting they have an opportunity drawing. The money raised from it goes to the Investment for Youth Scholarship fund. At the upcoming April 30th meeting the items for the drawing will be donated by both the Japatul 4-H and the Jamul Chaparros 4-H clubs. If you have something small you'd like to donate, please bring it to our March 27th meeting and I will make sure it is donated to the opportunity drawing.

Thank you!

Community Service Leader's Message -

Hello Jamul Chaparros!

Thank you to everyone who attended the March 27th meeting and turned in their entries for the ESDCJF. We also held our ethics training for the San Diego County Fair at that meeting. I was personally very disappointed at the poor attendance at this meeting. If you were not at this meeting and are planning to show at the SD

County Fair at Del Mar, you will need to take your ethics training at the make-up session this coming Wednesday, April 25th at 7pm at my home. Be there or don't show, the decision is yours to make. If you have truly extenuating circumstances please call me to discuss it.

At the beginning of this year I announced that this would be my last year as the club leader. I'm still looking for a replacement to take my spot. I've contemplated continuing for one more year, but I really don't want to do this. Rachel is graduating high school this June and would like to do her alumni year in 4-H, but on a very limited basis because college work will come first. So parents of younger 4-H members, now is your time to take the plunge and take over as the leaders of the club. I will still be around to ask questions and to help, and I may even lead a project group. Three years ago I took the plunge because the no one else would and the county was planning to disband the club at that time. For the most part, I've enjoyed being the club leader, but this season in my life is coming to an end, and other adventures await me. It is time for someone else to take over. So please think about this and volunteer your time and efforts to keep our club going.

Thank you,
Mary

President's Message

Hi Everyone!

Keep practicing your showmanship and animal knowledge, the fair is almost here!
Can't wait to see everyone at the next meeting! J

Thank you!
Rachel Bradley

Eastern San Diego County Jr. Fair

The ESDCJF is almost here! Please be sure to check your entry books for dates and times to bring your animals and home arts entries to the fair.

If you are showing a large market animal please be at the fairgrounds Saturday, May 5th to help set up the pens. It's a huge job and if everyone helps it goes rather smoothly. It's also a lot of fun in its own special way!

Tues, May 15th our club is responsible for making the dinner and serving it at the fairgrounds. Please volunteer to come help with it. This is the same day for the cavy and rabbit show. Last year we had a great turn out from the club and the kids and adults had a lot of fun serving up the dinner to about 100 people. We had

really lousy weather that day, so hopefully this year the weather will be better! For those of you working on your 4-H stars this counts as a community service activity. If you have a club t-shirt, please wear it.

Hello Jamul Chaparros!

Wow! The end of the 4-H 2011-2012 year is just about here! I hope everyone who participated in the ESDCJF had a great time! The dinner our club prepared on Tuesday night of the fair was a big hit with the fair-goers. We made and served Chicken Cordon Bleu with Hollandaise Sauce, Rice Pilaf, Green Beans, Dinner Rolls

with butter, and Chocolate Cake. We served approximately 140 dinners. Rachel and I want to send out a very special thank you to the following people for helping us out in the kitchen: Christina, Rebecca, and Mike Dietzer, Taegan and Tracey Murphy, Damian and Carl Reed, and Ashley and Shannon Whipple. A Job Well Done! We couldn't have done it without you there! Thank you so very much!!!

Tuesday, June 5th, is our last official Unit Meeting for the 2011-2012 year. It will be a potluck, starting at 6:30. Please be sure to attend it! More info to come later in this newsletter...

Last but not least, if you've been tracking your Clover Bud points, please turn in your forms to me. I'll get together with you this summer and we'll go over the catalog together so you can pick out your prizes!

Thank you,
Mary

President's Message

Hi Everyone!

Hope to see everyone at the Unit Meeting next week! Come with an appetite and let's reflect over the things that went well this past year, and things you'd like to see changed for next year. We also need to brain storm about ways to get more kids to join our club. This is your club and we want to make it one of the best ones in the county! Let's figure out how to share the fun and grow our club! J

Thank you!
Rachel Bradley

Horse and Pony Project -Saturday, June 2nd, will be the last horse show of the regularly scheduled 4-H County Horse Shows. It will be a Flat show. Please visit the Alpine Amigos website for more info: www.alpineamigos4h.us. Sign-ups can be made the morning of the show, but you do need Patty to sign your entry forms. The show will be at Tumbleweeds Arena in Lakeside. Hope to see all the Horse and Pony project members there! Don't forget to bring your record books with you and your helmets.

San Diego County Fair

The San Diego County Fair is 24 days long this year. It starts on Friday, June 8th and ends Wednesday, July 4th. Information about the fair can be found at: <http://www.sdfair.com/>.

Be sure to take the time to mark on your home calendars when events you entered are happening, when animals and projects are due to arrive, and when they must be picked up. The fair will not keep your projects or be responsible for your animals after they are supposed to be picked up. **Anyone entering the Bred and Fed contest - entries are to be postmarked by this Friday, June 1st.**

Del Mar Horse Show - The info is available online. Please be sure to get Patty Hyslop to sign off on your forms.

Badging a.k.a. Credentials - Time is running out to get your badges for the San Diego County Fair at Del Mar. The last day to get them before the fair starts is June 7th. The cost is \$15 (in cash) per person. If you didn't turn in a badging form on May 1st, it is too late to do so. Be sure to bring another form of photo id with you to the Livestock Office when you go to get your badges.

Camping, Jockey Quarters, and parking passes - I'm still waiting to hear from the good folks at the Livestock office. With any luck I'll have them in time for our Unit Meeting. If I don't have them by then, I'll get in touch with you to get them to you prior to the start of the fair.

Thanks!
Mary

Potluck - The end of the year meeting is going to be a potluck. Please try to be there by 6:30pm if possible. We will set up and hope to start the meeting by 6:45 at the latest. Please bring a potluck item per the first letter of your last name:

**A - L Side dish or salad and a dessert
M - Z Main dish (large enough to serve at least 6 to 8 people)**

Drinks, plates, and utensils will be provided.

Summer Party - We'll be planning one - please come to the Unit Meeting to volunteer to help put on this event!

Most Project meetings are done for the year! If you were a project leader this year, God bless you and thank you for working with our club members so faithfully!

Computers and Web Site Design project - This project will have a meeting to update the web site on June 10, and another on July 8 after the San Diego Fair. Check the web calendar for location and any last minute changes, at <http://jamul4h.org/calendar>. Anyone who has pictures of 4-H events may share them on the club's web site - but you need to get them to us so they can be posted. Email them to

jamul4h@gmail.com, or contact Gene Peterson or Kevin Fletcher.

2012-2013 - This summer is the time to start planning for next year's projects. Please let Mary Bradley know if you are willing to continue leading your project next year. If you are an adult and have a cool idea for a new project, or would like to lead or help lead one of our current projects, please contact me so we can talk about your ideas. I already know that we have a need for a Dairy Goat project leader, and also for an Arts and Crafts project leader. In the past we included Woodworking, Photography, Jewelry, and Horticulture in with our Arts and Crafts group. Unfortunately, this year we never got around to any Woodworking projects. Dana Mottola's friend who helped us in the past was not available to help us this year. So, if anyone knows someone who is a bit of a Woodworking Hobbyist, please ask them if they would be willing to help us out in this area. One new project for next year will be a Beginning Sewing Project. I also hope to really get the Scrapbook Project up and running on a regular schedule too! So parents, if you have some special talent or hobby that you'd like to share with our club members, please don't be afraid to take the plunge! 4-H is more fun when you get involved.

Record Books - We will schedule a date to have a record book workshop. I hope everyone will do a record book this year! They are really important. You can't earn your stars and membership stripes without completing them. They are also necessary if you apply for scholarships with the county fairs when you are a senior in high school. Just ask Rachel or any of our previous 4-H alumni. Rachel has received 3 college scholarships, and all 3 required her to bring her 4-H record book to the scholarship interview. Keeping a record book is truly worth the time it takes to put one together!

Scrapbooking Party - Calling all scrap bookers and anyone who is willing to try to scrapbook! There is going to be scrapbooking party this summer! We will scrapbook together with our club Historian, Ashley, to help her put together our 2011-2012 Club Historian book. We need donations of photos from our club members and parents. So if you have some particularly good ones you'd like to see included in the club's scrapbook, please get a copy of them to Mary Bradley at your earliest convenience. Date, time, and yummy details to be announced via an email later this summer.

Remember, if you have any questions about something you have read here or anything else 4-H related you can call Mary. Also, please be sure to check our club's website calendar. Dates and times of meetings are subject to change. Your project leader's will make every attempt to contact you if there is a change, but you will also need to be proactive by checking the calendar and your email account for changes and up-to-date information!

Community Service Leader's Message -

Hello Jamul Chaparros!

I was so happy to see everyone at the end of the 2011-2012 year Club Unit meeting and potluck! It was a very upbeat meeting and I appreciate all the good suggestions for ways to grow our club next year. I hope everyone has fun the San Diego County Fair at Del Mar. Stay safe and show the world what a great group of

people we have in 4-H!

Ramona Jr. Fair should be posting its fair info on the internet very soon. The fair will be held from July 28th thru August 5th this year. Their website is: <http://ramonajuniorfair.com>. I'll try to keep you posted as to entry dates and info as it becomes available, and I will set up a date to turn in your entries to me.

There is still time to turn in your Clover Bud Point sheets to me. I'll get together with you this summer and we'll go over the catalog together so you can pick out your prizes!

Have a safe and happy summer!
Mary

President's Message

Hi Everyone!

I was happy to see you at the final unit meeting of the year! I hope that all is well and that everyone has an amazing summer! Please tell your friends about 4-H! Looking forward to seeing you at the upcoming fairs and if not there then at the first meeting of next year! J

See You Soon,
Rachel Bradley

San Diego County Fair

The San Diego County Fair is 24 days long this year. It starts on Friday, June 8th and ends Wednesday, July 4th. Information about the fair can be found at: <http://www.sdfair.com/>.

Just another reminder - be sure to take the time to mark on your home calendars when events you entered are happening, when animals and projects are due to arrive, and when they must be picked up. The fair will not keep your projects or be responsible for your animals after they are supposed to be picked up.

Summer Party - Hope Gilces and Ms. Patty are the event planners - please contact them if you would like to help plan the summer party this year!

State Leadership Conference - Attention High School aged 4-H youth members - info on this year's SLC is available at: <http://www.ca4h.org/Programs/Conferences/SLC/>. Early Bird registration ends on June 15th. This year the conference will be

held here at UCSD instead of UC Davis! No major transportation costs! Please sign up to go to this and show your San Diego County 4-H spirit. Everyone that Rachel and I have talked to, who has attended this in the past, had a really great time! They learned a lot, they made new 4-H friends from around the state, and they came away from it totally inspired to do great things in life! The San Diego 4-H County Council is going to help with the cost of attendance. The amount per youth member is yet to be determined; it will depend upon how many youth members from the county sign up to go to it.

Hope to see you there!
Mary

Record Books - We will schedule a date this summer to have a record book workshop. I hope everyone will do a record book this year! They are really important. You can't earn your stars and membership stripes without completing them. I'd love to see everyone do a record book this year!!!

The Club's Web Site - www.jamul4h.org - Kevin and Gene updated the web site on June 10 with the latest pictures. Expect another update in July with pictures of the San Diego Fair. Check the web calendar for the latest activities at <http://jamul4h.org/calendar>. Anyone who has pictures of 4-H events may share them on the club's web site - but you need to get them to us so they can be posted. Email them to jamul4h@gmail.com, or contact Gene Peterson or Kevin Fletcher.

Check out **San Diego County 4-H's New Website!** - <http://ucanr.org/sites/4HSanDiegoCounty/>. See if you can find the picture of our club's Board Members.
